

# CAN'T WE GET ALONG

Words and Music by: Pat Boone

Can't we get along?  
If I offer you my hand will you refuse?  
We've all got so much to gain and everything to lose.  
Can't we get along? Can't we all get along?

Can't we work it out?  
Try to give and take and help our fellow man.  
Cuz we're all just people tryin' to make it anyway we can.  
Can't we work it out? Can't we all get along?

America, the name still stands for freedom.  
With liberty, the same for you and me.  
Red and yellow, black and white,  
We're all so precious in His sight.  
So let it be. Let it be.

Can't we just be friends?  
Get to know each other better for a start.  
If you look right in my eyes you might see straight into my heart.  
Can't we just be friends? Can't we all get along?

America, the name still stands for freedom.  
With liberty, the same for you and me.  
Red and yellow, black and white,  
We're all so precious in His sight.  
So let it be. Let it be.

You and I are one.  
The flame that burns in me lives in you.  
If love is what I want I need to offer it to you.  
You and I are one. We are one.  
Can't we get along? Can't we get along?
